

FOR SALE

Q25 Scrap Quilt

Date Completed: Fall 03
Size: 39 1/2" x 65 1/2"
Includes Hanging Sleeve

I took a Scrap Quilt class to learn a variety of common quilt blocks. There was no pattern for a finished top, so I put it together with the blocks I had created. When I first finished this quilt I hated it. My engineering brain didn't like the asymmetrical placement. But, over time, I have learned to love it. It is now one of my favorite pieces. I have evolved!
